It is our distinct pleasure to welcome you to the Fairmont Banff Springs. For more than 125 years, our grand hotel has stood as a landmark symbol of the Rocky Mountains' rich tradition of culture, history, elegance and hospitality.

In our kitchens, our Culinary Team takes great strides to source and explore the unique Canadian landscape to give you, our guests, a truly authentic Western Canadian experience. We bring you the freshest ingredients from local farmers, purveyors and artisans who take great pride in providing the best that land and sea have to offer.

At the Fairmont Banff Springs we purchase more than 75 percent of our products from Alberta and other Canadian provinces. We proudly serve locally grown meat, including Alberta AAA beef and organic poultry. Furthermore, our fish and seafood are sustainably sourced through our partnership with Ocean Wise, the Vancouver Aquarium's conservation program.

Our commitment at Fairmont Hotels & Resorts is to your health and well-being, and with that in mind we include organic ingredients whenever possible and ensure that all of our creations are trans-fat free.

Our urban cultivators and our outdoor greenhouse have given us an opportunity to grow our own herbs to supply the entire hotel.

This menu was designed to surprise and delight, whether you are celebrating a special occasion or simply want a healthy start to your Rocky Mountain adventures! We recognize that not all of our guests may find what they are looking for. If this is the case, please contact the In-Room Dining team and we shall do our best to satisfy your requests.

Sincerely,

Atticus Garant EXECUTIVE CHEF
