FITNESS & MOVEMENT

Fairmont Fit delivers a deeply satisfying health and fitness experience - progressive, powerful, and above all personal. Find your strength & fitness in one of these classes, designed to help you on your personal fitness journey.

BOOTCAMP

A high-energy, full-body workout designed to build strength, improve endurance, and boost overall fitness.

CIRCUIT CLASS

This fitness class features a series of timed stations that combine strength, cardio, and functional movements for a full-body workout.

BARRE CLASS

A full body workout that strengthens and lengthens using isometric movements, light weights and mat work.

PILATES

A low-impact exercise class that aims to strengthen muscles while improving postural alignment and flexibility.

MUSCLE CONDITIONING

A full-body workout designed to tone and strengthen muscles using a variety of equipment.

AQUAFIT

Aquafit is a dynamic water-based fitness class that combines aerobic exercises with the resistance of water to improve cardiovascular health, strength, and flexibility in a low-impact environment.

PERSONAL GROWTH PRACTICES

We are all explorers. For many travelers, the richest frontier is within. Fairmont Fit opens the gateway to a range of practices to expand your perspective and cultivate your spirit - from meditation and breath-work to yin yoga and everything in between.

SLOW FLOW YOGA

A gentle hatha flow class for all levels.

VINYASA FLOW YOGA

A sequencing of movements and postures synchronized with the breath. Generates heat, eliminates toxins and develops flexibility, stamina and balance.

YIN-YANG YOGA

Warm-up to open up! A combination of flow yoga and poses held for longer durations to improve flexibility.

YIN YOGA

Yin yoga is a slow-paced, meditative style of yoga that focuses on holding poses for extended periods.
